Meet our teachers

Mrs. Sandra Bradley has attended St. James for the last 12 years. She has served at the Sunday and Saturday evening services for about 8 years and started helping with Sunday school last year. She has a 4 year old daughter and is honored to help her and all the children of our church grow and learn in Christ.

Mrs. Suzi Miner has enjoyed teaching Sunday school for 20 years and loves seeing our youngest members grow in their supportive church home. Her husband Craig was active in adult classes and Bible study during his lifetime, and their son Wilson was confirmed at St. James.

Mrs. Susan Picotte has been attending St. James for the last 20 years. Currently she serves on the After School Program board Pastoral care team and Daughters of the King. She has two grown daughters, Alicia and Betsy. She enjoys yoga, Thai Chi and gardening.

Mrs. Amber Newlin has attended St. James for the last 12 years and enjoys teaching Sunday school, working with the Altar Guild and serving as chalice bearer. She and her husband Jeff are expecting their first child this fall. She has been a social worker for the past 17 years working in child welfare. In her free time, she enjoys having fun with family and friends.

Sharing the love of Jesus through learning...

At St. James Episcopal Church, our dedicated and loving teachers work with your children to strengthen their relationship with God while building a Biblical foundation that will transition with them through our youth program.

Younger students use the Godly Play Curriculum to retell Bible stories using props, art and music. The older students use the Episcopal Children's Curriculum that helps them deepen their understanding of God in their lives. Both classes include craft activities that relate to the week's lesson and both groups participate in the Wichita Alternative Gift Market each November. The children learn that God's love is with them throughout their lives and that they can show God's love by the way they live in harmony with others, just as those in their church home nurture and care for them.

Adults can join the fun too...

There are lots of educational and social opportunities for adults during this time. Please come join us!

- Adult forum is Sunday school for grownups! It takes place in the Guild Hall.
- Come meet other members of St. James in the lounge for coffee, refreshments, and fellowship.
- Volunteer in one of our Sunday school classrooms.
- Take a moment of quiet time in the chapel.
